Hello Parents!

KidsExcel Enrichment Programme

We are pleased to invite your child to join the KidsExcel @ Admiralty Primary enrichment programme.

KidsExcel is a year-long enrichment programme held at Admiralty Primary School

Thinking Skills

In this programme, your child will be challenged to think out of the box and use commonly found materials to construct working models of structures around them. Their experienced tutors will facilitate sessions where they are taught to ask relevant questions, plan, design and build the assigned tasks. Finally, they will be trained to reflect on how they can improve their model.

The activities are designed to promote **creative problem solving**, **encourage decision making** and **develop investigative skills**. Through this programme, we aim to mould our pupils into curious, independent learners.

- Designed in collaboration with NIE Experts
- Small Class Sizes – Banded to cater to different learning abilities.
- Trained ex-MOE Teachers and Experienced Tutors.
